Linda Cooler P. O. Box 160 Ridgeland, S.C. 29936

Dear Public Service Commission,

Lenda Cooler

I am writing to ask you **NOT** to give SCE&G a increase in the rates. Our rates are high enough. The people of S.C. can not keep having their utility bills raised. I am retired and on a fixed income. My light bill was 75 to 100 dollars more each month this winter than last year.

Thank you,

Luda Caker POBOY
